

*****RATE CHANGE NOTIFICATION*****

*This notice is to inform **Pine Hill Water Works** customers of new rates for water service. This will be a new water volume structure for residential and commercial customers.*

*As utility costs throughout the industry continue to rise, **Pine Hill Water Works** is committed to managing those costs and staying efficient while upholding the districts commitment to a sustainable future. The rate adjustment will help ensure the reliability and affordability of basic water services. This will also support **Pine Hill Water Works** commitment to the replacement of aging infrastructure, which will mean fewer interruptions of service.*

*The rate adjustments are based on a cost-of-service analysis to ensure that each utility customer pays a proportionate share of the cost to provide services. The new rates will also help **Pine Hill Water Works** continue to address important issues concerning growing businesses and residential development in our area. A detailed overview on cost of service will be available at our website soon. We at **Pine Hill Water Works** are here to provide and maintain a safe and dependable water supply.*

Pine Hill Water Works is committed to our community.
